

Hazard Signs

Hazard signs - Instruct, advise, forewarn staff and visitors of potential dangers arising around the workplace. Meaning; there is a risk of danger, warning or caution.
 Colour - yellow background, black text and symbol. Symbol - triangle with black border and graphical symbol. All hazard signs comply to Pr EN 7010 specifications.
 All signs available in self adhesive vinyl or 1mm rigid plastic with self adhesive backing.

BS7671:2001
The IEE
Wiring
Regulations

This warning label should be used for alterations or additions to electrical installations, forewarning that the equipment has been installed with wires to the two versions of BS 7671.

Hazard Signs

The Dangerous Substances and Explosive Atmospheres Regulations (DSEAR) 2002 came into force on the 30th June 2003. (example signs to right)

The DSEAR applies to all dangerous substances, in all businesses with risks from fire or explosions from these substances being used in potentially explosive atmospheres.

As dangerous substances can be found in most workplaces, it is essential that all employers and the self employed comply with this regulation.

Use the signs shown to the right to warn of all potentially explosive situations.
